1. We note the revised disclosure in response to comment 1, and reissue the comment. Please identify the individual members of the board of managers that exercise voting and dispositive power over the General Resonance, LLC, shares or tell us why you do not believe they do not have beneficial ownership over the shares. We note General Resonance is a 26.8% shareholder offering all of their almost 16 million shares in this resale registration statement, and that your director Mr. Wilcox co-founded General Resonance.
